With the iPhone 4GDock, you get easy access to a dock connector port for syncing or charging, and an audio line out port for connecting to powered speakers via an optional audio cable. The iPhone 4 Dock also works with the USB Power Adapter.

- Unique design; very simple and convenient to carry
- You can still use all of the iPhone 4's functions with it while it's on the dock.

Specification:

- Ultra slim comfort and elegant look for your desktop
- Connect the dock to your computer with the USB cable included with your iPhone 4 to sync and charge its battery
- Connect the dock to an electrical outlet using the Apple USB Power Adapter (included with your iPhone 4) to charge its battery
- Connect the dock to speakers using an AV cable or a stereo audio cable to play music from iPhone 4
- Place your iPhone 4 in the dock and enjoy clear audio
- Easy access to all controls and ports
- Available in black (4GDockB) and white (4GDockW)
