

# PS100 PRO2 PILLOW SPEAKER

**Brand:** Pro2**Model:** PS100**Order Code:** 38857010**Warranty:** 12 months

Simply plug your music source (iPod, radio, TV out) into the pillow speakers 3.5mm stereo socket and you're away. This allows a person to listen to the device, at a desired volume without disturbing others. It comprises a small speaker which is attached to a jack via a length of speaker cable. Also does not need batteries to operate. It works just like any other set of headphones, except that it is designed to be used under your pillow.

- Sleep more relaxed with the Pro2 Pillow Speaker under your pillow
- You can enjoy listening to your radio as long as you like without disturbing others
- 3.5mm stereo jack.
