

2X POLE VOLTAGE TESTER

ST9030 | 47054100

FEATURES:

- Double molded plastic housing
- Overvoltage class CAT III 1000V/CAT IV 600V
- Bright flashlight
- 1999 counts LCD display with analog bargraph
- AC/DC voltage detection
- Polarity detection
- Continuity test
- Rotary field indication
- Low impedance test
- IP64
- VAT self test button

SPECIFICATIONS:

- Voltage range: 12, 24, 36, 50, 120, 230, 400, 690V
- Tolerance: $\pm 1.5\% \pm 3d$
- ACV frequency range: 50/60Hz
- Internal impedance: $\leq 1M\Omega$
- Size:(HxWxD): 240mm x 78mm x 40mm
- Weight: 237g
